With MBU MeritCurve A2I Leap Program

ELEVATE YOUR LEARNING EXPERIENCE AT MOHAN BABU UNIVERSITY WITH 'ACADEMIC TO INDUSTRY' PROGRAM

Welcome to a paradigm-shifting educational experience with MBU!

Our MeritCurve A2I program integrates hands-on learning, industry readiness, and global exposure, transforming students into future-ready professionals equipped with the latest skills and knowledge to thrive in a dynamic industry landscape.

SOME OF THE HIGHLIGHTS OF THE PROGRAMS ARE

Labs Anytime, Anywhere

Experience unparalleled flexibility with our labs available anytime, anywhere, enabling continuous exploration and experimentation for dynamic learning.

Industry Readiness from Day 1

Embark on a journey tailored for success right from the start. Our meticulously designed 'Academic To Industry' curriculum ensures a focused pathway leading towards seamless campus hiring opportunities.

Academics and Skilling Go Hand-in-Hand

Witness the fusion of academic prowess and practical skill-building. At MBU, we believe in synchronising theoretical knowledge with real-world applications, and nurturing well-rounded professionals.

Online Labs for Unrestricted Learning

Break geographical barriers! Access our cutting-edge online MeritCurve Labs anytime, anywhere. Explore, experiment, and excel in your lab exercises, fostering a dynamic learning environment.

Industry Readiness by Every Semester/Technology

Stay ahead in the dynamic industry landscape. Every semester, dive deep into the latest technologies, ensuring you are industry-ready with current skills and knowledge.

Teaching Methodology of 'Learning by Applying'

Experience learning that transcends textbooks. Engage in a hands-on approach that emphasizes application-based learning, fostering a deeper understanding of concepts.

Differentiated Instructional Practices

Empower your learning! Our differentiated instructional practices encourage experimentation and practice, fostering a deeper understanding of subjects and practical application.

Global Exposure: from Year 1

Elevate your skills on global platforms right from the onset. Gain exposure to prestigious platforms like HackerRank, LeetCode, and GitHub, enhancing your global competence.

Self-Learning Courses

Empower yourself with self-paced learning opportunities. Our curated self-learning courses on MeritCurve, complement your academic journey, allowing personalized growth and exploration.

Integrated Learning Management System (LMS) Across 4 Years

Seamless, unified learning! Our integrated MeritCurve Learning Management System spans your entire educational voyage, providing a consolidated platform for streamlined education.

Regular Identification of Areas for Remedial Measures

Stay on track! Continuous monitoring ensures early identification of learning gaps, enabling timely remedial measures for an enriched educational experience.

Personalized Learning Journey

Embrace a strong mentoring relationship with one-on-one monitoring. Our agile learning management practices allow for personalized learning paths, focusing on career skills and nurturing your true potential.

Collaborative and Social Learning Environment

Unlock collaborative growth! Engage in project-based and social learning, fostering collaboration and enabling experimentation, empowering you to reach your zenith.

Faculty: Trained for Industry-Aligned Teaching

Our academic faculty undergo rigorous training on new-age teaching and learning processes, aligning seamlessly with industry requirements. We empower faculty to explore and integrate global problem-solving platforms, ensuring cutting-edge education delivery.

Collaborative Program with

Mohan Babu University is fostering a dynamic educational partnership with Talentio Academy aimed at shaping tomorrow's leaders.

Industry Immersions and Networking Events

Connect with industry experts through immersive networking events. Gain insights and practical exposure, paving the way for a seamless transition from academia to industry.

Will Skill Matrix

Students are regularly assessed on the Will Skill Matrix. Tailored programs are designed for those demonstrating high levels of willingness, aligning with their skill level and aspirations.

High Package Opportunities

Through the MeritCurve A2I initiative, students are equipped with the exposure, knowledge, and skills necessary to secure high-paying opportunities in prestigious global organizations, which the University regularly facilitates access to.

Will Skill Matrix: Personalized Learning

At MBU, we believe in nurturing every student's potential through personalized learning programs. Our innovative Will Skill Matrix helps us assess students' motivation and abilities, ensuring tailored support for their academic and industry readiness journey.

Understanding the Will Skill Matrix

Willingness:

- Evaluates motivation, enthusiasm, and readiness to learn.
- High willingness: Strong desire to engage and participate.
- Low willingness: May indicate a need for increased interest or confidence.

Skill:

- Assesses current abilities and proficiency in specific areas.
- High skill: Strong grasp of subject matter.
- Low skill: Opportunities for further development and support.

Mentorship for Higher CTC

At MBU, we offer exceptional opportunities for students aiming for high-paying careers. Our flagship programs are designed for those aspiring for higher packages, providing industry-leading training and mentorship.

- Exclusive Training and Mentorship by Industry Experts
- Intensive Skill Development
- Career Acceleration

MBU, where education meets innovation, and every student's potential is nurtured for a prosperous future!

Embark on your journey towards academic excellence and professional success.
